Troubleshooting Matching Orders to Bank Transactions in PCWS

- **Vendor Name must match exactly as it appears in PCWS** (as shown in the PCard> Reconcile list). Go to the order log, enter a portion of the vendor name, then click the find button and select the exact match of the vendor name from the list.
- **Dollar Amounts must match exactly.** Verify by going to PCard>Reconcile and viewing the amount that came through from the bank.
- **Item Description field cannot be the defaulted “Enter Item Description Here” it must be changed appropriately.

Tax Exempt Status

- **Tax Exempt Number 400004** is accepted by most vendors. A copy of the tax exempt letter is online
- **Wal-Mart** requires each department to establish their own sales tax exempt account (details are online).
- **Harris Teeter, Lowe’s Home Improvement, Lowe’s Foods and Office Depot** have special instructions to follow when purchasing from them (details are online).

The tax exempt letter has valuable information regarding UNCG’s tax exempt status.

The PCard Department can set up your tax exempt status with Office Depot, and does so when the PCard is newly issued.

Tax exemption status applies only to the North Carolina Sales Tax for purchases made in-state or online, and items are shipped to North Carolina.
The use of appropriate account codes is important, especially for purchases requiring the 5 Ws (who, what, where, when, why). To assist you, these two tables represent account codes of frequently purchased items that REQUIRE the 5 Ws. NOT ALL DEPARTMENTS ARE AUTHORIZED TO PURCHASE THESE ITEMS and the appropriate use of State Funds is critical to all purchases.
